EASTER REGATTA

DE KAAG

8 T/M 10 APRIL

INTERNATIONAAL PAASEVENEMENT

Dear sailors and parents,

It is our pleasure to invite you to the **Easter Regatta 2023** at the Kaag, the Netherlands. The regatta is from Saturday 8 to Monday 10 April at the Kaag, Zijldijk 11 Warmond. This is the traditional opening of the competition season for the Cadets in the Netherlands. This is not your average Cadet regatta! This is one that asks for all your sailing knowledge and skills!

This is a very special edition. The Dutch Cadet Class Association (DCCA) celebrates its 50th anniversary!

Registration is on Saturday, April 8 from 9 a.m. in Waterlust de Kaagsocieteit. When registering, everyone is expected to be able to submit a valid certificate of measurement, insurance papers, a valid buoyancy certificate and a competition or crew license from the Watersportverbond (licenses only required for Dutch sailors). The first race starts on Saturday, April 8 at 11 a.m. The award ceremony is Monday, April 10 at 4 p.m.

Notice of race, sailing instructions and course maps are available a week in advance.

On Sunday 9th of April, the traditional Easter-buffet will be held at the Kaag Association immediately after the last race of the day around 6 p.m. This is a traditional Indonesian buffet as served for centuries, every Sunday on Royal Netherlands Navy ships.
